WELLIGENT

HCBS APPROVED

NY HCBS APPROVED EHR

As part of New York's behavioral health transition to managed care, federal grant money is being offered to providers of Home and Community Based Services (HCBS). The OPWDD program includes opportunities for individuals with developmental disabilities to work in competitive and integrated settings, engage in community life, control personal resources and receive services in the community, to the same degree as individuals who do not receive HCBS. Services provided through the HCBS program include: Community Psychiatric Support and Treatment (CPST), Crisis Respite, Education Support, Family Support and Training, Habilitation, Individualized Employment Support Services, Peer Support (Empowerment Services) and Psychosocial Rehabilitation.
