Third Party Add-on Options

Welligent knows it can be a challenge for healthcare providers to find EHR solutions that meet all of their needs. Some vendors claim to have an "out of the box" solution to meet all the needs of every provider. At Welligent, we understand that each organization is different. That's why we offer an array of add-ons for those extra services that simplify your workflow.

Appointment Reminders

Send automatic client reminders with a phone call, text or email. WellReminders allow you to alert your clients of upcoming appointments, no-show notices, past-due balances, emergency closings, prescription status and more. West and Welligent are committed to providing the best client communication at an affordable cost.

Billing and Clinical Solutions

Improve revenue cycle and efficiency while enabling staff to spend more time with clients through Change Healthcare' clearinghouse. Change Healthcare makes it easy for you to electronically process claims with the check of a box. Claims are automatically routed to third party payors. Change Healthcare's clinical features allow you to write electronic client prescriptions, request lab orders and view remittance advice. For more info about Welligent's billing services, read our *Revenue Management Services* Datasheet.

Business Intelligence

Oracle BI Publisher is the reporting solution to author, manage and deliver all your reports and documents easier and faster than traditional reporting tools. Use your web browser or familiar desktop tools to create everything from pixel-perfect customer facing documents to interactive management reports against practically any data source. View reports online or schedule them for future dates. Deliver tens of thousands of documents per hour with minimal impact to transactional systems.

Digital Signature Capture

Speed up business processes, save paper and increase security with electronic signatures. Achieve high-quality signature capture for a multitude of applications and operating environments at a competitive price. Whether you are looking for the most advanced wireless and LCD signature pads or something modest and portable, Topaz has you covered.

Electronic Credit Card Payment Processing

Eliminate client payment delays and duplicate data entry while lowering debit and credit card processing fees. With Skybank, Welligent provides your agency with the most robust and secure integrated payment processing solution. Easily swipe your clients' credit and debit cards and route payments directly to your merchant accounts.

Treatment Planning Libraries

Quickly create evidence-based treatment plans for your clients. John Wiley & Sons Treatment Planning Libraries include thousands of pre-written treatment goals, objectives, and interventions based on various presenting problems. Clinicians can easily build individualized treatment plans and measure progress with Welligent's progress notes.
